Teacher charged with showing pornography to children

By Brenda Bunting
Editor

A Glade View Elementary School teacher is out on bond after being charged with five counts of showing pornographic material to children between the ages of 6 and 12.

David C. Warnke, 37, of Palm Glades Drive, Belle Glade was arrested last Saturday, October 16 after officers with the Palm Beach County Sheriff's Office searched his apartment and found obscene magazines and videos.

Officers went in with a search warrant signed by

Judge Michael Miller after complaints were made to them, that Warnke was showing the obscene material to minors and allowing juveniles to watch the videos at his apartment.

Warnke has been employed by the Palm Beach County School Board for five years as a Resource Teacher and Parent Liaison. He has asked for and been granted administrative leave from Glade View Elementary.

Bond was set at \$3,000 and Warnke posted bond the next day. A trial date has not been set.

Partnership formed for proposed cogeneration plant

Flo-Energy Corp. and U.S. Generating Co. have signed an agreement jointly to complete the development and construction of the proposed Okeelanta Cogeneration Project, which will be located adjacent to the Okeelanta Sugar Mill in the Glades.

According to the agreement reached between the two companies, affiliates of Flo-Energy and U.S. Generating will soon become partners in the Okeelanta Power Limited Partnership (OPLP), the business entity that will own and manage the generating plant.

When it goes into operation in early 1996, the \$199 million facility is projected to sell 70 megawatts of electricity to Florida Power & Light Company under a 30-year standard

offer contract. As a cogeneration plant, the facility is also expected to provide 720,000 pounds of process steam per hour to the Okeelanta Sugar Mill and the Florida Crystals Refinery.

Flo-Energy, an affiliate of Flo-Sun Inc. is the project's original developer, having conceived the project and its original design. U.S. Generating, a partnership of subsidiaries of Pacific Gas and Electric Company and Bechtel Group, Inc. has joined in completing the permitting, regulatory, fuel procurement, financing, engineering, construction and management activities.

Flo-Sun chairman and CEO Alfonso Fanjul said, "We are delighted that U.S. Generating See Cogeneration plant page 3

Fashion Show/Luncheon to benefit American Red Cross

From all reports, it appears the second annual Red Cross Fashion Show and Luncheon slated for November 6 at the Elks Lodge is going to be a sell-out.

Saks Fifth Avenue - Palm Beach will be coming to the Glades with Putting on the Glitz. This show features apparel exclusively from Saks Fifth Avenue - Palm Beach.

Part of the "glitz" this year includes a social hour and silent auction beginning at 11 a.m. During this time, guests may also purchase accessories from boutiques set up by Saks. The fashion show is set for noon.

Coordinator is Jeannette

Dexter. She is assisted by Dolly Hand, Liska Hooker, Mary Orsenigo, Anne Hopkins, Sharon Teets, Sue Teets, Susan Harrelle, Nataleah Nachman, Judy Sanchez, and Jane Parrish.

Also, local high school students will make special appearances at the luncheon. Christian Day School's Cheerleaders will open the fashion show, and the Glades Day School Honor Society will serve as waiters and waitresses.

Tickets are \$30 and all funds raised will be used to further the American Red Cross program in the Glades. Anyone wishing to attend should contact Anne Hopkins at 992-3703 for ticket availability.

A silent auction...will take place at the beginning of the Red Cross Fashion Show and Luncheon slated for Nov 6 at the Elks Lodge. Some of the auction items include an autographed tee shirt by tennis star Chris Everett and the complete series of paperback books by local historian Lawrence Will. Shown, from left, are Coordinator Jeannette Dexter with helpers Mary Orsenigo and Liska Hooker.

Tie on a red ribbon...Palm Beach County's "Say No To Drugs" Red Ribbon Week is next week and the Belle Glade Chamber of Commerce is preparing by making up hundreds of red ribbons to give away to individuals and businesses. This year's national theme is "Neighbors: Drug-free and Proud" and the Florida theme is "Prevention is a Lifestyle." Shown above are Iris Tanner, Executive Director for the Belle Glade Chamber and Secretary Laura Mae Enfinger.

State Tourism Chief to speak at Hurston Museum's Oct. 23 reception

his first speech in Belle Glade on Saturday.

Rep. Reddick, who represents his Orlando home, District 39, in the Florida Legislature, is chairman of the House Tourism and Economic Development Committee and will be the featured speaker at a Fundraising Reception and Open House for the Zora Neale Hurston Roof Garden Museum from 4 p.m. to 6 p.m. Saturday, October 23, in Belle Glade Elementary School's Building 9, which recently was donated to the Museum by the School Board of Palm Beach County.

Having served in the House

of Representatives since 1982, Representative Reddick also serves on the Appropriations Committee, the Rules and Calendar Committee, Transportation Committee, Community Affairs Committee and the Business and Professional Regulations Committee in the Legislature.

He has earned the reputation of sponsored legislation which addresses the needs of those groups under-represented in the legislative arena: the poor, the elderly, the handicapped, minorities, veterans and educationally disadvantaged.

Suspects identified in armed robbery of K-County last Saturday

Two suspects were arrested three days after they were believed to have robbed the K-County on 16th Street, Belle Glade, but no cash was recovered.

Billy Joe Jackson, and Dennis Lee Johnson, both of 657 S.W. Avenue B, Belle Glade were jailed Tuesday, October 12 after the robbery at the store on Saturday, October 9.

Patrolman Ed Britt was the first officer on the scene after the call came into the police

department about the robbery. He learned from the two store clerks that two men had entered the store and went to opposite ends of the business. The suspect at the north counter told the clerk he had a gun and raised his shirt and showed it to her. He demanded all the cash in the register.

The clerk gave him an undisclosed amount of cash and both men ran from the store.

The investigation was turned over to the Criminal Inves-

tigations Division and they began looking for the suspects. One of the clerks saw Jackson on October 12 and identified him as one of the robbers. He was taken to the Police Department where he confessed and identified his accomplice. Johnson was then picked up and he also confessed to participating in the crime, but the money was not recovered. Both were taken to the Palm Beach County Jail and placed under \$10,000 bond.

Cypress Hammock principal dead at 54

By David Ranieri
Sun Reporter

Jay Schrimsher vowed to continue his fight to clear his father's name.

His father, Ken Schrimsher, 54, collapsed Sunday afternoon while hunting with Jay, John Bills, Billy Rawls, John Spooner and a son of one of the men at Vinegar Bends Farms south of Belle Glade.

Ken was taken to Glades General Hospital where he was pronounced dead at 4:44 p.m. The cause of death is undetermined and the case is still under investigation. No foul play was suspected.

He was employed by Palm Beach County School System for 29 years as a teacher, counselor and administrator. He also was a Baptist minister.

Schrimsher's career with the school system was derailed in

November of 1991, when he was demoted to principle at Cypress Hammock School in Canal Point, which serves emotionally handicapped students, because of charges of incompetence and delays.

The school board also accused him of accepting gifts and favors from people doing business with the Palm Beach County School Board.

Daniel Manry, a state administrative officer concluded in July that Schrimsher had done nothing illegal and he should be reinstated with back pay. His principal salary was \$63,000, compared to his previous salary of \$30,600.

But the attorney representing the school district said Manry's report was filled with errors and conclusions not sup-

ported. See Schrimsher, page 3

Reverend Oneal Carman in Revival at Good Shepherd Church of God in Pahokee

Revival with a prophetic emphasis will be held at Good Shepherd Church of God, 1800 Bacon Point Road, Pahokee, beginning October 24, at 10:45 a.m.

Evangelist for the services is Reverend Oneal Carman, recently published author of Golden Age 2000: The Coming of the Prince. Reverend Carman, a resident of Hardin County, Kentucky, had been involved in TV and film-making documentaries and had led an archaeology team in Israel searching for the ashes of the red heifer sand the Jewish temple treasures.

"Reverend Carman's unique ministry is particularly timely as recent world events indicate the nearness of the coming of the Messiah," remarked Pastor Brewer. "We at Good Shepherd are delighted to be able to offer good news in disturbing times through Evangelist Carman's ministry."

Pastor Brewer invites the public to attend the services which will be held nightly at 7:30 p.m. through Wednesday, October 27. The Sunday evening service will begin at 6 p.m. A nursery will be provided for all services.

Congressman Hastings expresses opinion on Haiti

By Congressman Alcee L. Hastings of Florida, statement on Haiti

"On October 11, 1993 Senator Bob Graham and I met with Haitian Prime Minister Malval and members of his cabinet. Seated next to me was the late justice minister Guy Malvay said to me, "Please do all you can to stop this dance of death. The people of Haiti and the people of this hemisphere are deserving of strong, determined and forceful action to restore this issue is any less worthy of our attention than any of the final sanction."

agreed, that sanctions should be re-imposed. The minister of justice had suffered the final sanction.

In the U.S. Congress, the Clinton Administration and the world community do not have the will to do what is necessary to stabilize Haiti. I must beseech them to stop this dance of death. The people of Haiti and the people of this hemisphere are deserving of strong, determined and forceful action to restore this issue is any less worthy of our attention than any of the final sanction."

We have national interest to preserve democracy in Haiti, even if there is no oil or other precious natural resource on the island worthy of our attention. If we do not restore democracy to this island immediately, thousands of lives will be in danger and illegal immigration into my home state will soar."

Police Department honors Lt. Danny Jones

The Essence Unique Ladies Club of Pahokee recently hosted its Annual Installation Ceremony and "Birth Month Extravaganza." During this celebration, they paid tribute to a special person.

Danny Jones, who is employed by the City of Pahokee

Police Department was recognized. Officer Jones went to work for the department on December 12, 1985 as an undercover officer and made several arrests for narcotic violations.

Lt. Jones moved to the Road Patrol in February 1986 and started an aggressive patrol throughout the city and in August of 1986 he wrote a proposal to start the Glades Multi-Agency Task Force to combat the new drug of choice crack cocaine.

During the first three months of implementation of the task force approximately 200 people were arrested during investigations. The task force concept was a success. During this time the Glades Area Crime Watch Group, which consists of area ministers and police officers was formed.

Lt. Jones continued to work in the task force through August of 1988 and in 1988 he formulated and supervised the City of Pahokee Street Crime Department Unit. This was

the first time a task force was formed.

Lt. Jones continued to work in the task force through August of 1988 and in 1988 he formulated and supervised the City of Pahokee Street Crime Department Unit. This was

formed from the ground up as a completely new unit with the Pahokee Police Department.

In 1989 Lt. Jones was promoted to Detective Sergeant and worked to increase the relationship between the community and the police together by sponsoring the Concerned Citizens vs. COP Basketball game. This later resulted in the formulation of the Bike Patrol Unit.

In 1992 Sergeant Jones was promoted to Police Lieutenant where he continued his efforts to improve efficiency and effectiveness of the police department by computerizing the entire police department. Jones has completed course to obtain a two year degree from Palm Beach Community College.

He received a plaque from the EUC and two proclamations and resolutions from City of Pahokee, City of Belle Glade and South Bay.

Lt. Jones is married to Michelle Jackson Jones.

Reception

In addition to his legislative career, Representative Reddick is also an educator and a businessman. His professional career has included positions as a teacher, guidance counselor, professor, assistant dean and program director. He currently serves as assistant to the vice president of research and planning at a major Florida university.

Rep. Reddick, who provided the Hurston Museum with the idea for its unique fundraising program, the Electronic Rent Party, said it is his "considered opinion that historic preservation provides a unique opportunity for the people of Florida to celebrate African American heritage."

The Hurston Museum's building project will begin with the relocation of the Belle Glade Elementary School building to Pioneer Park, on

Highway 715 just outside the city limits. Projected to open to the public in January, the building will house programs like Africamp, a research and publishing program for 10 to 15 year olds; two new programs slated for January, Zora's Kids, a storytelling and spelling program for three to nine year olds and The Africa Month Project, a research and lecture program for high school juniors and seniors and college students in addition to the Museum's permanent and rotating exhibits. The Hurston Museum also sponsors Mucksteppers REunion, a storytelling conference and cultural festival presented annually in January.

The public is invited to attend the Open House reception on Saturday. For additional information, call 996-2161.

Cogeneration plant

is working with us to complete what we believe is the largest biomass cogeneration project in the United States.

"In 1996, when the plant begins operating, thousands of South Florida families will enjoy the benefits of this renewable energy resource. Electricity generated from sugar cane wood and other woody waste will power homes, schools, churches and offices throughout the area," Mr. Fanjal said.

The proposed generating plant, which will serve approximately 46,000 homes, will be fueled primarily by bagasse, a byproduct of the sugar cane milling process. Bagasse will supply nearly two-thirds of the plant's annual fuel requirements. The remainder will come from wood waste that is collected locally in South Florida for reuse in the cogeneration plant.

According to Christopher R. Sauer, vice president of project development for U.S. Generating, the Okeelanta Generating Plant will have a number of environmental pluses. "First,

the plant's fuel supply comes from renewable energy sources," Mr. Sauer said. "Also, by reusing wood waste materials as fuel, the cogeneration plant will substantially reduce solid waste disposal requirements in the area.

"However," Mr. Sauer noted, "the plant's air quality benefits are its primary advantages. The new plant will deliver all of the steam requirements currently being provided by the existing boilers and generate 70 megawatts of electricity. Yet, annual aggregate emissions will be three-quarters less than current levels at the mill."

"Flo-Sun should be congratulated for developing a well-conceived project that will mean substantial environmental benefits for the region, while simultaneously enhancing the prospective prospects for the sugar mill," Mr. Sauer said.

According to the project sponsors, the cogeneration plant will be one of Palm Beach County's largest taxpayers, generating approximately \$1.8 million per year in property tax revenues. During peak con-

struction, approximately 250 jobs will be created, with 34-38 full-time employees after the plant goes into operation. When it begins operating, the plant will have an annual payroll of \$1.6 million.

In addition to generating 100 jobs related to biomass fuel processing and transportation, the cogeneration plant will purchase approximately \$1 million annually in local goods and services during its operating life.

Flo-Sun, Inc. of Palm Beach County is a fully integrated sugar grower, producer, refiner and marketer. In Florida, the company farms more than 180,000 acres of land and produces about 650,000 tons of sugar.

Bethesda, Md. based U.S. Generating is engaged in the development and acquisition of electric power projects and in the sale of electricity to utilities nationwide. U.S. Generating has ownership and management interests in 15 generating plants in operation, construction and advanced development, totalling 2,800 megawatts and \$5 billion.

Billboard goes to Washington today

Florida farmers will deliver a giant billboard bearing the signatures of thousands of anti-NAFTA signers today.

A delegation of members of Congress will accept the billboard at the Capitol in Washington. The truck bearing the billboard has traveled through Florida's farm communities for the past month, where business people and farmworkers who feel they will lose their jobs if NAFTA (the North American Free Trade Agreement) passes.

U.S. Rep. David Bonior (D-Michigan), U.S. Rep. Tom Lewis (R-Florida), and U.S. Rep. Karen Thurman (D-Florida) will be joined by other members of Congress to accept the billboard from the D.U.M.P. NAFTA coalition and speak to rally participants. Several hundred people are expected, including farmworkers and agricultural business people from Florida.

D.U.M.P. NAFTA is a coalition of agricultural organizations from Florida who are opposed to NAFTA because they say it would have on the state's agricultural industry. It is estimated that if NAFTA passes, Florida could lose one-third of the \$6 billion agricultural revenue and 50,000 jobs.

Fix it, Pahokee

I'm calling about Pahokee, maintaining and cleaning the sidewalks on East Main Street.

In some places it is almost impassable with trash, sand and overgrown grass and overhanging tree limbs.

Places that are being maintained are being done with pride by homeowners in the City of Pahokee.

City Manager, City Commissioners, take off your blinders. If you'll ride down the same streets, take a good look. Better yet, fix it.

Tired of road construction

Is there any projected completion date on east Avenue E. The same crew must be working it as the one that's working the one on Southern Boulevard in West Palm.

We're getting tired of trying to get to our favorite businesses over bumps, barriers and grinds. Thank you.

Editor's note: I spoke with Dennis McCarthy, chairman of the Canal Hazard Safety Committee, the watchdog group for road projects in the Glades. He said the work is being done by Community Asphalt. They're taking their time. That's for sure," he said.

They originally had a completion date of mid-October for all their projects in the area. Mr. McCarthy said, but now they are projecting

mid-November. There were at least two problems that have slowed this project. All the rain we have had in the last few weeks, plus the fact that while they were digging at the east end of Avenue E they ran into contaminated soil and the project had to be stopped until EPA (the Environmental Protection Agency) gave the green flag for them to continue.

Thumbs up for the election of Steve Weeks as mayor of Belle Glade. We pray that his leadership is fair and objective. We'll be watching.

Thumbs up to the Belle Glade City Commission for reappointing John Baker our city attorney for one more year.

Thumbs down to the request that an assistant attorney be hired for Mr. Baker.

Thumbs up to Commissioner Tucker for suggesting that a paralegal assistant would do the job and be much more cost efficient.

Editor's note: We received a Speak Out complaining about service at a local restaurant. According to the caller, a waitress waited on a customer who came in after this party before they waited on their group. Callers, please remember we can not run this type of call. I would suggest if you have a problem with a waitress, or a business, you go directly to the manager or owner. Believe me, most of the time, they care about your complaint.

Letters to the editor

An open letter to the mayor and commissioners of Pahokee:

I congratulate you for having the ugly black garbage containers removed (as per ordinance) from the streets after they are emptied.

Now when driving our beautiful seven mile

street lined by beautiful Royal Palms and nice homes, we Pahokee citizens can be proud of our towns.

Yours truly,
Lewis Friend

About the cartoon...

Dear Editor:

Here is a cartoon by Pahokee artist Tanya Miller that might be enjoyed by those who know this fine officer, William "Honky Tonk" Burroughs. He recently retired after serving as a Florida Highway patrolman for 31 years.

Those knowing Officer Burroughs as a friend and officer on the road will miss his fine example, and courage, and true gritted road patrolling. Especially, they'll miss his ability to be fair and his concern for others. Truly, our towns need more lawmen such as Officer Burroughs.

A "few good men" serving as law officers have retired...and gone on...in the last 50 some years in the Glades. My Uncle Lee Rawls was one of the first Florida Highway Patrolmen in the Glades in the 1920's. He and "Honky Tonk" Burroughs would have made a fine pair patrolling, if they had lived in the same era. Like those other officers of the 50's era, Officers Raymond Rock, Chief Goodlett, "Mac" McSwain, and "Tenderfoot" Tindall, they had concern for the human

heart within the hardshell environment. Our world needs more of such men serving us if the capacity that these golden oldies represented.

We should make efforts to phone, or write a note of thanks to the families/officers who have done a job well to tell the we appreciate them. Just think what our streets would be without them!

Respect for law officers for me, and other Belle Glade students in the 1950's was Officers Lee Suggs, Officer Thorpe, Speedy Spooner, who took time to converse with us from their propped cycles and cars. There, within that relationship between officer and student, a seedling of "respect" was exchanged and honored.

Hats off! To our protectors!!!

Spoil the Child?

Dear Readers:

I can remember way back in the dark ages when I was young; having a birthday was a big deal. If I was lucky, I might get a really good present from my parents; maybe even one that cost ten whole dollars!

Today, many parents will buy a \$150 Super Nintendo game for their six year olds without anyone batting an eyelash - and it doesn't even have to be the kid's birthday.

In many households, these super-expensive toys are considered to be as basic a part of childhood as toilet paper and breakfast cereal; to wit: "But Dad, everybody has one!"

I haven't done a scientific study, but it seems to me that the amounts parents spend today on children's toys, far out pace the consonant deal in salaries in the past 80 years. Many children, rather than remaining perpetually gleeful and grateful over the luxuries bestowed upon them, maintain a "what have you done for me lately?" attitude. Children today are much more demanding and status-conscious than they were in the past.

Why should a six year old want or expect "Rebok" sneakers instead of "K-Mart" sneakers? What is the difference in quality, functionality and workmanship? What adult can even explain the difference between the two?

How can a parent even define a special occasion or accomplishment to their child that "I demand it-all, I demand it now" society? If a child gets \$150 presents when he is six, what could possible represent a special gift for graduating high school? - a house?? - a boat??!

I worked with a 16-year-old patient who was doing drugs and was failing high school. She was mad at her parents because as "punishment" for her behavior, they "only" gave her a Camaro for her birthday instead of the Corvette they had promised earlier! This lack of appreciation that many children are taught, does not only apply to rich children. Many otherwise poor families have Super Nintendos as well.

Many children are not taught to delay gratification; to work or wait for what they want. Thus they will complain more and work less in school or in future work. They will have a very low frustration tolerance and will have poor coping skills for adult life wherein merely wanting something does not often mean that things will go your way.

There is, of course, hope for the youth of tomorrow. Parents should spend more time with their children and less money on them. Parents need to understand that properly "loving" their children does not involve giving them everything they want. Rather, loving involves imparting a sense of values that will serve the children best in their future.

If you would like to anonymously inquire about issues regarding yourself or your acquaintances, you may do so by writing to Dr. Boltson. You don't even have to give your name or address. Just mail all questions to:

Would you like to take a eight day, seven night hike around Lake Okeechobee?

The Second Annual 107 mile hike around Lake Okeechobee on the Hoover Dike will begin at the Pahokee campground 8:30 a.m. November 20 and will end on noon Sunday, November 28 at the Pahokee Campground. This hike is being sponsored by the Loxahatchee Chapter of the Florida Trail Association.

Hikers will go north towards Okeechobee City and

the Florida National Scenic Trail. This dedication and publicity from last year's hike has generated interest statewide for this year's hike. The trail runs through Florida from the Everglades to Alabama. Eventually it will connect to the Appalachian Trail.

CORNER

Where will you find lots of food, good music and fun, a parade and even some Christmas shopping? That's right! At our Fall Festival tonight beginning at 5:30 p.m. School is dismissed at noon so final preparations can be made. Come out and visit the many booths, visit old friends and alums, have a funnel cake, hamburger or chicken and dumplings and have a great time! The Crusaders can sleep in Friday morning and catch up on some rest and enjoy their day off!

The Crusader Choir is honored to be the Belle Glade Chamber of Commerce's Annual Awards Banquet entertainment Tuesday, October 26! The choir has been working hard for the concert and the singers have been busy on their outfits. It is also only four weeks away before 40 members leave on choir tour to North Carolina, Kentucky and

Eagle News from Belle Glade Elementary, Kravis Center visited by fifth grader class

It was an exciting day for the fifth grade students as they traveled to West Palm Beach on October 12. The students were entertained by the Florida Philharmonic Orchestra in concert at the Kravis Center. The students were amazed by the magnificent structure of the center as well as by the orchestra. It was an enjoyable experience and they thanked Mr. DeWaele, music teacher, for this wonderful experience. congratulations to our Academic Game Team and especially to Vicky Joseph and Myriam St. Fort for placing first in several rounds of competition. Myriam St. Fort is

Tennessee. The choir has been invited to sing at the FBI Academy in Virginia and hopes their schedule can include the Academy on their itinerary. What an opportunity!

The nine weeks grading period ends Monday. Can you believe one fourth of the school year has already passed? Report cards are sent home Wednesday, October 27.

And by the way... congratulations to two 1983 graduates. Cary McKee is Okeechobee High School's head football coach and Alex Morales is assistant baseball coach at Palm Beach Community College.

The 1993-1994 National Honor Society officers are: Meira Marin- president, Jennifer Glass- vice president, Amber Fulenwider- secretary, Sharon Wetherington- treasurer and Ginger Wade- chaplain. Congratulations.

The varsity football team plays King's Academy at home tomorrow night at 7:30 p.m. Volleyball districts begin Tuesday at Jupiter Christian. Come out and support your Crusaders!

See you tonight at the fall festival. Until next week- catch the spirit!

Gator tales

No sooner than Homecoming is out of the way than Glades Day School is gearing up for the Halloween Carnival on Saturday, October 30.

Due to popular demand, the Carnival has been moved back to the evening hours. Activities will begin at 5 p.m. with the elementary costume parade on the football field. Food and game booths will open at 6 p.m. and the will begin at 6:30 p.m.

GDS Booster Club members are selling tickets for their annual car drawing that is held during the auction. This year it's a fully loaded 1993 Pontiac Grand Am V-6. Five hundred tickets will be sold at \$100 each. A reminder to parents of athletes: you may purchase your child's number for the drawing by contacting Barbara Caruthers in the high school office. Tickets will be sold on a first-come, first-served basis.

Once again the junior and senior classes are responsible

for the chili supper and "all you can eat" salad bar at the Carnival. To cover the cost, each student in the 11th and 12th grade is asked to bring \$10 to school by Tuesday, October 28.

The 7th and 8th classes will be sponsoring the hamburger booth and students in those grades are requested to bring \$10 by October 28 to help pay for the meat and supplies.

If you are doing your "spring cleaning" in the fall, don't be too quick to throw away those articles. The elementary is in charge of this year's Country Store and they will appreciate any items you may wish to donate. They are especially looking for knick-knacks, small appliances, cooking utensils, clothing, accessories and other novelties.

Homemakers, take note: Donations of any homemade sops jellies, jams, relishes, pickles or crafts are also needed to make this a real Country Store. Fresh vegetables and fruits are also welcome. If you have something to contribute, please call Betty Nason or Karen Orsenigo at the elementary school at 996-4140.

We also have tickets for drawing on a quilt donated by Log Cabin. Quilts by Sister's Choice, a Winchester Model 70 Rifle (30-06 caliber) donated by Seminole supply and two purses. Tickets for each of the items are \$1. The winners will be announced during the auction.

THE SUN, Thursday, October 21, 1993 - 5

Senior picture

Brynn Alan studio has been on campus this week taking yearbook and personal portraits of the seniors. As a result, many seniors have appeared particularly well-dressed and attractive. Everyone, meanwhile, hopes the camera is kind!

Senior Superlatives

Senior superlatives were voted for during homeroom last week and the results of some categories are Lunch room queen and king, Leasaudra Brown and Melvin Stinson; Class Flirt, Demetrice Calloway and Charles Danlies; Most Talkative, Shemaris Freeman and Jason Adams; Most Misunderstood, Terry Young and Henry Bennett; Most Dependable, Stacey-Anne Hannigan and Ramon Pagan; Best Smile, Mia Pyfrom and Taurance Lovely; Best Physique, Victoria Erven and Randy Williams; and Class Clown, Raquel Prince and Reidel Anthony. More to come next week.

Upcoming Events

As usual, another busy week! Tonight the 9th and JV football teams face Clewiston there, while the varsity Raiders meet the Clewiston Tigers at home this Friday. Go Raiders!

The week of the week

For the week of October 14th the winners were seniors, Michael Esperaza and Demille Comer; junior, Robert Newkirk and Genia Bryant; sophomores, Sherrod Moore and Lisa Flores; and freshman, Wilmer Esta and Christine Trammel.

ACT

Saturday, the first administration of the ACT will be held in the main media center, causing many juniors and seniors brain strain. Freshman and sophomores have a chance at the PACT on October 26th with similar results.

As the new weeks begins, at 7 p.m. October 26th, the campus Royalty coronation will be held in the gym. Come out and see all the beauties.

Now that the HSTC is finally this week, students have to look forward to.

Glades Day Gators devour Moore Haven Terriers 41-16, Whitehead and Goodale rush for a combined total of 309 yards

By David Ranieri

Staff Reporter

The Glades Day Gators squared off against Moore Haven last Friday night in a key district matchup.

The Gators, sporting a 2-1 record in district play, wanted to inch closer to a state playoff spot, while the Terriers had reeled off three consecutive victories and were hoping to upset their arch-rivals at home.

"We knew we were in for a dog fight tonight," said Glades Day head coach Mandy Perez.

And Perez's pregame prediction proved to be true, at least for the first half.

Moore Haven was able to run the ball effectively with Leroy Myers and Eddie Gore against a Gator defense that held King's Academy to 12 yards rushing the week before and was allowing a measly 80 yards rushing per game.

Quarterback Willie King capped the Terriers first possession with a 1-yard touchdown run. Then Cole Swofford ran in the two-point conversion on a fake field goal attempt to give Moore Haven an early lead.

But Glades Day would storm right back, scoring on their next two series.

Jeremy Lovell gave the Gators' excellent field position as he returned the ensuing

kickoff to the Gator 42.

On a third down-and-8 play, Graham Chancay hit Jeff Goodale for the first down on the Moore Haven 43 and on the next play Leroy Myers was flagged for pass interference on Jackie Garrett to move the

ball to the 28.

Three plays later, Patrick Whitehead scored on a 11-yard run and he also added the two-point conversion to tie the score at 8-8 with 4:37 left in the first quarter.

Early in the second quarter,

Chancay found a wide open Jackie Garrett, who snuck behind a Moore Haven defender, in the end zone for a 23-yard touchdown pass. Then Chancay added the extra point as the Gators went to the locker room with a 15-8 lead.

Glades Day stretched their lead with an impressive third quarter.

The Gator offense marched 56 yards on six plays as Goodale scored on a 7-yard run on the Gators' first possession in the second half. Chancay's

Glades Day Junior Varsity shuts out Benjamin 6-0, close out season on Thursday

By David Ranieri

Staff Reporter

North Palm Beach-The Glades Day JV football team defeated Benjamin in a rainy, turnover plagued contest last Thursday afternoon.

Stacey Cox once again was the star-for the Gators as he rushed for 157 yards on 15 carries. For the season, Cox has run for 1202 yards on 131 attempts and has gained 200 or more yards on two occasions. Cox has only been held under 100 yards rushing by King's Academy in the team's first meeting.

Cox scored the game's only touchdown in the third quarter as he was able to break loose from two Benjamin defenders for a 65-yard touchdown run.

"Cox is blessed with speed

and strength," said assistant coach Lamar Landing. "He is a tremendous worker in the weight room, where he has developed upper body and leg strength and he is a tough back to bring down."

Cox, a freshman at Glades Day, is playing his third season at the Junior Varsity level and Coach Landing said that he will move up to the varsity team when the JV squad concludes its season this Thursday. Landing also said that Cox has a chance to start at linebacker next year for the varsity team, but it is unlikely that he will see much time at running back with Patrick Whitehead, Danny Scott and Jeff Goodale returning.

Cox was also a force on defense as he recorded two

sacks in limited action and Ryan Checkley, who chipped in with seven tackles, had an interception in closing minutes as Glades Day hung on for a 6-0 win over Benjamin.

Also leading the way for the Gator defense was: Pablo Sanchez and Thomas Norman with 11 tackles a piece and Reid White and Thomas Weeks had seven tackles. Ryan Checkley and Jose Navarro both had a fumble recovery.

The JV team will close out their season on the road at Labelle High School, Thursday at 7 p.m.

"They're a little bit bigger and stronger because they are a sophomore dominated team," Landing said. "We have some starters that are only in eighth grade."

Five former football players from the Glades will be playing against a Russian team in the Premier Friendship Bowl on Saturday, November 6 at 7:30 p.m. at Forest Hill High School.

Cele Ruiz, Mario Vidal, Gilbert Garcia, and Victor Rivero, former players at

Christian Day, and Bryan Seider, 1992 graduate of Glades Day School are participating in the game.

The Russian team is called the Moscow Mustangs and the U.S. team is called the Palm Beach County All Stars.

Former CDS Coach Bill Hrabak, who now coaches at Forest Hill, said the Russian team contacted him recently

about the possibility of playing football in the states.

"The Russians have only been playing football for about four years," he said. "They told Hrabak that if they didn't begin to have some competition, they felt football would die out in Russia."

"There are about 50 Russians coming," he said. "We See Russians, page 3

Pahokee defeats Suncoast 26-0, Blue Devils still number one in district standings

By David Ranieri

Staff Reporter

Tyrone Richardson threw two touchdown passes and ran in three two-point conversions as Pahokee defeated Suncoast 26-0 last Thursday night.

Richardson was 9-of-18 passing for 85 yards. His two touchdown passes were 8-yards to Mark Coley in the second quarter and 3-yards to Tyrone Smith in the fourth as the Blue Devils ran their record to 6-0 and Suncoast fell to 1-6.

Latorrane Webb ran for 109 yards on 19 carries and had a 3-yard touchdown run as Pahokee amassed 234 yards on the ground.

Tyrone Smith had four receptions for 51 yards.

"We try to have a balanced

offense, said offensive coordinator Casey Cavanagh. "We have good players at the skilled positions, that allows to be more multi-dimensional and more other teams have to worry about."

The defense was led by linebacker Edwin Hardin with one safety, an interception and eight tackles, three of which were for losses. Dredrick Jones also had a big game as he recorded seven tackles and one interception as the Blue Devils limited the Chargers to 93 yards in total offense and recorded their second shutout in a row.

But the victory for the defending District 7-2 A and regional champions proved to be costly.

Orson Walkes suffered a bro-

ken tibia and will likely be out for the rest of the season. LaTorrance Webb strained ligaments in his knee and Paul Bowles broke a finger.

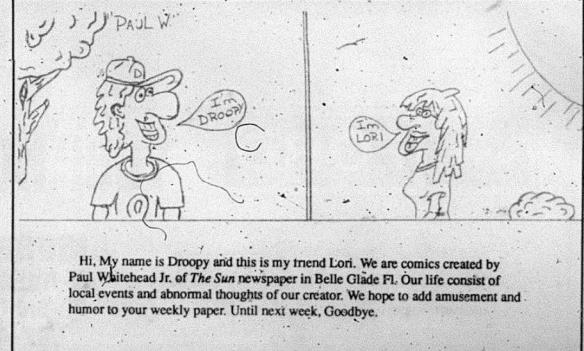

Pahokee travels to Bishop Verot, Friday at 7:30 p.m. in a game that will likely determine the No. 1 and No. 2 seed in District 7-2A.

"It is tough playing at Bishop Verot because you have to play in a hostile environment and right now we have problems with injuries," said Cavanagh. "We need to come together as a team, continue to do what we have done all year and that is being consistent on offense and have our defense step up when needed." Our kids at Pahokee look forward to big games like this and they rise to the occasion."

Stacey Cox... walks to the sidelines during the Gators' game against Benjamin. Cox rushed for 157 yards on 15 carries and scored the only touchdown in the game as Glades Day defeated Benjamin 6-0. Cox also had two sacks while playing linebacker.

But Glades Day would storm right back, scoring on their next two series.

Jeremy Lovell gave the Gators' excellent field position as he returned the ensuing

kickoff to the Gator 42.

On a third down-and-8 play, Graham Chancey hit Jeff Goodale for the first down on the Moore Haven 43 and the next play Leroy Myers was flagged for pass interference on Jackie Garrett to move the

ball to the 28.

Three plays later, Patrick Whitehead scored on a 11-yard run and he also added the two-point conversion to tie the score at 8-8 with 4:37 left in the first quarter.

Early in the second quarter,

Chancey found a wide open Jackie Garrett, who snuck behind a Moore Haven defender, in the end zone for a 28-yard touchdown pass. Then Chancey added the extra point as the Gators went to the locker room with a 15-8 lead.

Glades Day stretched their lead with an impressive third quarter.

The Gator offense marched 56 yards on six plays as Goodale scored on a 7-yard run on the Gators' first possession in the second half. Chancey's

Glades Day Junior Varsity shuts out Benjamin 6-0, close out season on Thursday

North Palm Beach-The Glades Day JV football team defeated Benjamin in a rainy, turnover plagued contest last Thursday afternoon.

Stacey Cox once again was the star for the Gators as he rushed for 157 yards on 15 carries. For the season, Cox has run for 1202 yards on 131 attempts and has gained 200 or more yards on two occasions. Cox has only been held under 100 yards rushing by King's Academy in the team's first meeting.

Cox scored the game's only touchdown in the third quarter as he was able to break loose from two Benjamin defenders for a 65-yard touchdown run.

"Cox is blessed with speed

and strength," said assistant coach Lamar Landing. "He is a tremendous worker in the weight room, where he has developed upper body and leg strength and he is a tough back to bring down."

Cox, a freshman at Glades Day, is playing his third season at the Junior Varsity level and Coach Landing said that he will move up to the varsity team when the JV squad concludes its season this Thursday landing also said that Cox has a chance to start at linebacker next year for the varsity team, but it is unlikely that he will see much time at running back with Patrick Whitehead, Danny Scott and Jeff Goodale returning.

Cox was also a force on defense as he recorded two sacks in limited action and

Ryan Checkley, who chipped in with seven tackles, had an interception in closing minutes as Glades Day hung on for a 6-0 win over Benjamin.

Also leading the way for the Gator defense was Pablo Sanchez and Thomas Norman with 11 tackles a piece and Reid White and Thomas Weeks had seven tackles. Ryan Checkley and Jose Navarro both had a fumble recovery.

The JV team will close out

their season on the road at Labelle High School, Thursday at 7 p.m.

"They're a little bit bigger and stronger because they are a sophomore dominated team," Landing said. "We have some starters that are only in eighth grade."

Five former football players from the Glades will be playing against a Russian team in the Premier Friendship Bowl on Saturday, November 6 at 7:30 p.m. at Forest Hill High School.

Cele Ruiz, Mario Vidal, Gilbert Garcia, and Victor Rivero, former players at

Christian Day, and Bryan Seider, 1992 graduate of Glades Day School are participating in the game.

The Russian team is called the Moscow Mustangs and the U.S. team is called the Palm Beach County All Stars.

Former CDS Coach Bill Hrabak, who now coaches at Forest Hill, said the Russian team contacted him recently

about the possibility of playing football in the states.

"The Russians have only been playing football for about four years," he said. "They told Hrabak that if they didn't begin to have some competition, they felt football would die out in Russia."

"There are about 50 Russians coming," he said. "We See Russians, page 3

Tyrone Richardson threw two touchdown passes and ran in three two-point conversions as Pahokee defeated Suncoast 26-0 last Thursday night.

Richardson was 9 of 18 passing for 85 yards. His two touchdown passes were 8 yards to Mark Coley in the second quarter and 3 yards to Tyrone Smith in the fourth as the Blue Devils ran their record to 6-0 and Suncoast fell to 1-6.

Latorrane Webb ran for 109 yards on 19 carries and had a 3-yard touchdown run as Pahokee amassed 234 yards on the ground.

Tyrone Smith had four receptions for 51 yards. "We try to have a balanced

offense," said offensive coordinator Casey Cavanaugh. "We have good players at the skilled positions, that allows to be more multi-dimensional and more other teams have to worry about."

The defense was led by linebacker Edwin Hardin with one safety, an interception and eight tackles, three of which were for losses. Derick Jones also had a big game as he recorded seven tackles and one interception as the Blue Devils limited the Chargers to 93 yards in total offense and recorded their second shutout in a row.

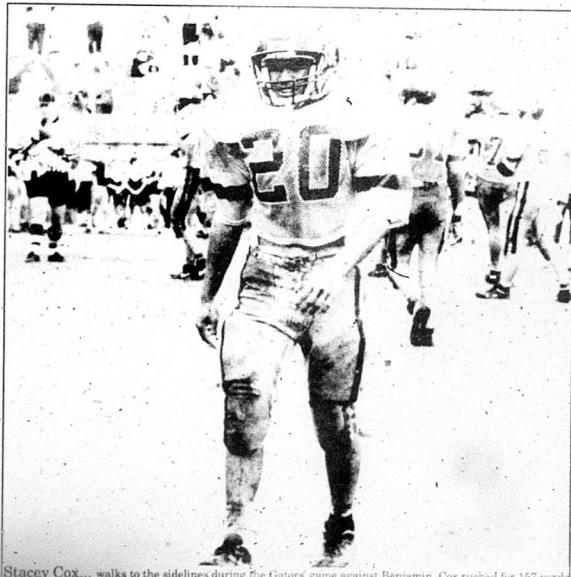

But the victory for the defending District 7-2 A and regional champions proved to be costly.

Orson Walkes suffered a bro-

ken tibia and will likely be out for the rest of the season. LaTorrance Webb strained ligaments in his knee and Paul Bowles broke a finger.

Pahokee travels to Bishop Verot, Friday at 7:30 p.m. in a game that will likely determine the No. 1 and No. 2 seed in District 7-2A.

"It is tough playing at Bishop Verot because you have to play in a hostile environment and right now we have problems with injuries," said Cavanaugh. "We need to come together as a team, continue to do what we have done all year and that is being consistent on offense and have our defense step up when needed." Our kids at Pahokee look forward to big games like this and they rise to the occasion."

Stacey Cox... walks to the sidelines during the Gators' game against Benjamin. Cox rushed for 157 yards on 15 carries and scored the only touchdown in the game as Glades Day defeated Benjamin 6-0. Cox also had two sacks while playing linebacker.

will have to house them," he added.

Coach Hrabak said he's proud of the fact that all the players from the Glades will be starting in the game.

"Christian Day School and Glades Day School are the smallest schools of the 29 in the district," said Hrabak, "but all five of the players from the Glades will be starting."

Ruiz, who graduated from CDS in 1990 will play quarterback, Mario Vidal, who graduated in 1990 from CDS will be the starting defense and Garcia, a 1991 CDS graduate will be a starting running back. Victor Rivero, a 1992 CDS graduate will be a starting tackle and former Glades Day player Bryan Seider will be a starting line backer.

Roy Goodson, another former GDS player attended many of

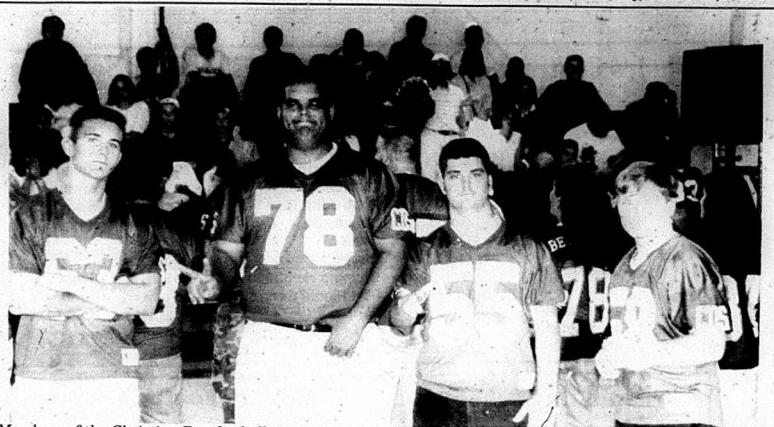

the practice games and had planned to participate in the game, but Coach Hrabak said he suffered a knee injury recently and will not be participating.

The Russian players and their coaches will be coming October 29 and leaving the day after the game.

Coach Hrabak said other activities have been planned for the team while they are here, including a trip to a Miami Hurricane's game.

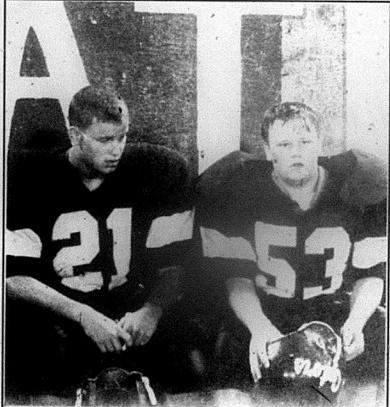

Coach Hrabak said he hopes residents from the Glades will attend the game, which will cost \$6. They are also looking for sponsors and anyone who would like to help is asked to call Jim Dobay at the Friendship Bowl Hotline at 407-967-4474.

Proceeds from the game will go to the Forest Hill High School Booster Club.
